

Dress Code Policy

The NMHA's goal is for our Representative and Select teams to look professional at all times when representing our association – both on and off the ice. Accordingly, the NMHA Executive has approved the following dress code:

- For all home and away games, including Tournaments, Players and Coaches for Rep and Select teams are required to wear:

- a shirt and tie (any colour), **black** dress pants, black or brown dress shoes (or boots) and a Nighthawks team jacket (female players may substitute a blouse for the shirt and tie);

– OR –

- the approved blue Nighthawks warm-up suit.

***Please Note:** Teams may **not** mix and match attire; the entire team must wear either the dress shirt, tie and dress pants or the warm-up suit. Team Trainers are permitted to wear a Nighthawks' warm-up suit at all times as this attire is more appropriate to their function.

- Baseball caps are NOT permitted to be worn by Players and/or Coaches while in their dress attire; Nighthawks toques are acceptable.
- During REP team practices, on-ice Team Staff are required to wear an approved NMHA warmup suit.
- On Ice – all players (excluding goalies) are required wear black helmets, NMHA-approved pant covers, and black or blue gloves.
