

I was the convenor for Atom house league last year and active member of the cheering section for my son's teams. I'm a mom to two young children and a lawyer. I'm an active volunteer in the community and I have a lot of experience in areas such as risk management and corporate/regulatory compliance that could benefit the NMHA. My family has had a great experience with the Nighthawks organization thus far and I'd like to get more involved to ensure the continued success of the NMHA, which I've learned requires a lot of hard-working and dedicated volunteers to run as smoothly as it does.
